

## REMARKS

Claims 1 - 29 were examined again. In this Office Action, Claims 1-22 and 29 are rejected under 35 USC 112, and claims 23-28 are objected. Otherwise all claims would be allowable if amendments are provided to overcome the rejections and objections.

The Examiner is appreciated for the thoughtful examination and comments in the Office Action. In the foregoing amendments, the Applicant has amended Claims 1, 3, 11-12, 14, 22-23, and 27-29 to correct the informalities raised by the Examiner. The Applicant submits that no new matters have been added. Accordingly, the Applicant believes that the rejections under 35 USC 112 and the objections to the claims have been overcome. Claims 1-29 shall be now in condition for allowance.

In view of the above amendments and remarks, the Applicant believes that Claims 1 - 29 shall be in condition for allowance over the cited references. Early and favorable action is being respectfully solicited.

If there are any issues remaining which the Examiner believes could be resolved through either a Supplementary Response or an Examiner's Amendment, the Examiner is respectfully requested to contact the undersigned at (408)777-8873.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to "Commissioner of Patents and Trademarks, Washington, DC 20231", on November 22, 2007.
